**NBP2-99464H**

Cyclin E2 Antibody [HRP]

| Product Information         |                                                                                                                |
|-----------------------------|----------------------------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                                         |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.                    |
| Storage                     | Store at 4C in the dark.                                                                                       |
| Clonality                   | Polyclonal                                                                                                     |
| Preservative                | No Preservative                                                                                                |
| Isotype                     | IgG                                                                                                            |
| Conjugate                   | HRP                                                                                                            |
| Purity                      | Antigen and protein A Affinity-purified                                                                        |
| Buffer                      | PBS                                                                                                            |
| Product Description         |                                                                                                                |
| Host                        | Rabbit                                                                                                         |
| Gene ID                     | 9134                                                                                                           |
| Gene Symbol                 | CCNE2                                                                                                          |
| Species                     | Human                                                                                                          |
| Immunogen                   | Produced in rabbits immunized with a synthetic peptide corresponding to the N-terminus of the Human Cyclin E2. |
| Product Application Details |                                                                                                                |
| Applications                | Immunocytochemistry/Immunofluorescence                                                                         |
| Recommended Dilutions       | Immunocytochemistry/Immunofluorescence                                                                         |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                         |
