ILDR2 Antibody - BSA Free

| Product Information     |                                                                                        |
|-------------------------|----------------------------------------------------------------------------------------|
| Unit Size               | 100 ul                                                                                 |
| Concentration           | 0.5 mg/ml                                                                              |
| Storage                 | Store at 4C short term. Aliquot and store at -20C long term. Avoid freeze-thaw cycles. |
| Clonality               | Polyclonal                                                                             |
| Preservative            | 0.09% Sodium Azide                                                                     |
| Purity                  | Affinity purified                                                                      |
| Buffer                  | PBS, 2% Sucrose                                                                        |
| Target Molecular Weight | 56 kDa                                                                                 |

| Product Description |                                                                                                                                                                                       |
|---------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Description         | Novus Biologicals Rabbit ILDR2 Antibody - BSA Free (NBP3-09736) is a polyclonal antibody validated for use in WB. All Novus Biologicals antibodies are covered by our 100% guarantee. |
| Host                | Rabbit                                                                                                                                                                                |
| Gene ID             | 387597                                                                                                                                                                                |
| Gene Symbol         | ILDR2                                                                                                                                                                                 |
| Species             | Human                                                                                                                                                                                 |
| Immunogen           | The immunogen is a synthetic peptide directed towards the C-terminal region of human ILDR2 (NP_955383.1). Peptide sequence QDDQEDASDDALPPYSELELTRGPSYRGRDLPYHSNSEKKRKKEPAKKTN         |

| Product Application Details |                        |
|-----------------------------|------------------------|
| Applications                | Western Blot           |
| Recommended Dilutions       | Western Blot 1.0 ug/ml |
