beta Amyloid Antibody [PerCP] - (Research Grade bapineuzumab Biosimilar)

| <b>Product Information</b>         |                                                                                                                                               |
|------------------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Unit Size</b>                   | 0.1 ml                                                                                                                                        |
| <b>Concentration</b>               | Please see the vial label for concentration. If unlisted please contact technical services.                                                   |
| <b>Storage</b>                     | Store at 4C in the dark.                                                                                                                      |
| <b>Clonality</b>                   | Monoclonal                                                                                                                                    |
| <b>Preservative</b>                | 0.05% Sodium Azide                                                                                                                            |
| <b>Isotype</b>                     | IgG1                                                                                                                                          |
| <b>Conjugate</b>                   | PerCP                                                                                                                                         |
| <b>Purity</b>                      | Protein A purified                                                                                                                            |
| <b>Buffer</b>                      | PBS                                                                                                                                           |
| <b>Product Description</b>         |                                                                                                                                               |
| <b>Description</b>                 | The heavy chain type is hulgG1, and the light chain type is hukappa. It has a predicted MW of 145.5 kDa.<br><br>Also known as 'bapineuzumab'. |
| <b>Host</b>                        | Human                                                                                                                                         |
| <b>Gene ID</b>                     | 351                                                                                                                                           |
| <b>Gene Symbol</b>                 | APP                                                                                                                                           |
| <b>Species</b>                     | Human                                                                                                                                         |
| <b>Immunogen</b>                   | Amyloid Beta                                                                                                                                  |
| <b>Product Application Details</b> |                                                                                                                                               |
| <b>Applications</b>                | ELISA, Flow Cytometry, Functional                                                                                                             |
| <b>Recommended Dilutions</b>       | Flow Cytometry, ELISA, Functional                                                                                                             |
| <b>Application Notes</b>           | Optimal dilution of this antibody should be experimentally determined.                                                                        |
