SAMD8 Antibody - BSA Free

| Product Information |                                                                                             |
|---------------------|---------------------------------------------------------------------------------------------|
| Unit Size           | 100 ug                                                                                      |
| Concentration       | Please see the vial label for concentration. If unlisted please contact technical services. |
| Storage             | Store at -20C. Avoid freeze-thaw cycles.                                                    |
| Clonality           | Polyclonal                                                                                  |
| Preservative        | 0.08% Sodium Azide                                                                          |
| Purity              | Ammonium sulfate precipitation                                                              |
| Buffer              | Phosphate buffered saline                                                                   |

| Product Description |                                                                                                                                                                                                 |
|---------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Description         | Novus Biologicals Rabbit SAMD8 Antibody - BSA Free (NBP3-30871) is a polyclonal antibody validated for use in WB and ELISA. All Novus Biologicals antibodies are covered by our 100% guarantee. |
| Host                | Rabbit                                                                                                                                                                                          |
| Gene ID             | 142891                                                                                                                                                                                          |
| Gene Symbol         | SAMD8                                                                                                                                                                                           |
| Species             | Human                                                                                                                                                                                           |
| Immunogen           | Full-length recombinant SAMD8 protein                                                                                                                                                           |

| Product Application Details |                                 |
|-----------------------------|---------------------------------|
| Applications                | Western Blot, ELISA             |
| Recommended Dilutions       | Western Blot : 5-10ug/ml, ELISA |
| Application Notes           | .                               |

**Images**

Western Blot: SAMD8 Antibody [NBP3-30871] - Western blot analysis using Sphingomyelin Synthase r (Cat. # NBP3-30871) on recombinant protein Lane A] antibody alone. Anti Rabbit secondary used at 1:25K Exposure for 30 seconds
