| Description                 | Novus Biologicals Mouse ADAMTS9 Antibody (D2) - BSA Free (NBP3-41677) is a monoclonal antibody validated for use in IHC and WB. All Novus Biologicals antibodies are covered by our 100% guarantee. |
| Host                        | Mouse                                                                                                                                                                                               |
| Gene ID                     | 56999                                                                                                                                                                                               |
| Gene Symbol                 | ADAMTS9                                                                                                                                                                                             |
| Species                     | Human                                                                                                                                                                                               |
| Immunogen                   | Immunized with recombinant Human ADAMTS9 (Uniprot#: Q9P2N4; Cys1727-Leu1935 (Uniprot#: Q9P2N4)                                                                                                      |
| Product Application Details |                                                                                                                                                                                                     |
| Applications                | Western Blot, Immunohistochemistry-Paraffin, Immunohistochemistry                                                                                                                                   |
| Recommended Dilutions       | Western Blot 0.5-2ug/mL, Immunohistochemistry 5-20ug/mL, Immunohistochemistry-Paraffin 5-20ug/mL                                                                                                    |

## Images

Western Blot: ADAMTS9 Antibody (D2) [NBP3-41677] - Sample: Recombinant ADAMTS9, Human.

Immunohistochemistry-Paraffin: ADAMTS9 Antibody (D2) [NBP3-41677] - DAB staining on IHC-P; Sample: Human Kidney Tissue; Primary Ab: 20ug/ml NBP3-41677; Second Ab: 2ug/mL HRP-Linked Caprine Anti-Mouse IgG Polyclonal Antibody
