|--------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Description</b> | Novus Biologicals Mouse KLF15 Antibody (1C10) - BSA Free (NBP3-42989) is a monoclonal antibody validated for use in WB and ELISA. All Novus Biologicals antibodies are covered by our 100% guarantee. |
| <b>Host</b>        | Mouse                                                                                                                                                                                                 |
| <b>Gene ID</b>     | 28999                                                                                                                                                                                                 |
| <b>Gene Symbol</b> | KLF15                                                                                                                                                                                                 |
| <b>Species</b>     | Human                                                                                                                                                                                                 |
| <b>Immunogen</b>   | Kruppel-like factor 15 - (Uniprot# Q9UIH9)                                                                                                                                                            |

**Product Application Details**

|                              |                                    |
|------------------------------|------------------------------------|
| <b>Applications</b>          | Western Blot, ELISA                |
| <b>Recommended Dilutions</b> | Western Blot 1:500 - 1:2000, ELISA |

**Images**

Western Blot: KLF15 Antibody (1C10) [NBP3-42989] - human skeletal muscle tissue were subjected to SDS PAGE followed by western blot with (KLF15 Antibody) at dilution of 1:1000
