|                    |                                                                                                                                                                                                  |
|--------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Description</b> | Novus Biologicals Rabbit MED14 Antibody - BSA Free (NBP3-47470) is a polyclonal antibody validated for use in IHC and ELISA. All Novus Biologicals antibodies are covered by our 100% guarantee. |
| <b>Host</b>        | Rabbit                                                                                                                                                                                           |
| <b>Gene ID</b>     | 9282                                                                                                                                                                                             |
| <b>Gene Symbol</b> | MED14                                                                                                                                                                                            |
| <b>Species</b>     | Human                                                                                                                                                                                            |
| <b>Immunogen</b>   | Mediator of RNA polymerase II transcription subunit 14. (Uniprot# O60244)                                                                                                                        |

**Product Application Details**

|                              |                                          |
|------------------------------|------------------------------------------|
| <b>Applications</b>          | ELISA, Immunohistochemistry              |
| <b>Recommended Dilutions</b> | ELISA, Immunohistochemistry 1:50 - 1:500 |

**Images**

Immunohistochemistry: MED14 Antibody - BSA Free [NBP3-47470] - Immunohistochemistry of paraffin-embedded human colon cancer using (MED14 antibody) at dilution of 1:200
