| Storage                     | Store at -20C. Avoid freeze-thaw cycles.                                                                                                                                                            |
| Clonality                   | Polyclonal                                                                                                                                                                                          |
| Preservative                | 0.02% Sodium Azide                                                                                                                                                                                  |
| Isotype                     | IgG                                                                                                                                                                                                 |
| Purity                      | Immunogen affinity purified                                                                                                                                                                         |
| Buffer                      | PBS, 50% Glycerol, pH (7.3)                                                                                                                                                                         |
| Target Molecular Weight     | 32 kDa                                                                                                                                                                                              |
| Product Description         |                                                                                                                                                                                                     |
| Description                 | Novus Biologicals Rabbit BIVM Antibody - BSA Free (NBP3-47857) is a polyclonal antibody validated for use in IHC, WB and ELISA. All Novus Biologicals antibodies are covered by our 100% guarantee. |
| Host                        | Rabbit                                                                                                                                                                                              |
| Gene ID                     | 54841                                                                                                                                                                                               |
| Gene Symbol                 | BIVM                                                                                                                                                                                                |
| Species                     | Human                                                                                                                                                                                               |
| Immunogen                   | basic, immunoglobulin-like variable motif containing. (Uniprot# Q86UB2)                                                                                                                             |
| Product Application Details |                                                                                                                                                                                                     |
| Applications                | Western Blot, ELISA, Immunohistochemistry                                                                                                                                                           |
| Recommended Dilutions       | Western Blot 1:500-1:2000, ELISA, Immunohistochemistry 1:20-1:200                                                                                                                                   |

## Images

Immunohistochemistry: BIVM Antibody - BSA Free [NBP3-47857] - Immunohistochemistry of paraffin-embedded human ovary tissue slide using (BIVM Antibody) at dilution of 1:50

Western Blot: BIVM Antibody - BSA Free [NBP3-47857] - Raji cells were subjected to SDS PAGE followed by western blot with (BIVM Antibody) at dilution of 1:1000
